OHCC • CCSO

Ontario Healthy Communities Coalition
Coalition des communautés en santé de l'Ontario

Purpose:

To provide an opportunity for OCTN members to share information & experiences, in order to increase their knowledge and connections.

Peer Sharing Session

Questions to Explore

- 1) What issues are you most concerned about within current contexts?
- 2) What challenges are you experiencing, and how are you addressing them?
- 3) What successes have you had?
- 4) What have you learned that you could offer to others? (*i.e., any advice or suggestions*)
- 5) Are there any other opportunities, resources or tools that you would recommend?

1) What issues are you most concerned about within the following contexts?

■ *Economic*

■ *Social*

■ *Political*

■ *Environmental*

■ *Other...*

2) What challenges are you experiencing?

How are you tackling them?

What strategies are you using?

3) What successes have you had?

Were there any key “ingredients”?
(e.g. individuals, organizations,
resources)

4) **What have you learned that you could share with others?**

Any advice or suggestions?

5) Are there any opportunities, tools or resources that you would recommend?
